Access and Equity

What do the terms "Access" and "Equity" mean?

Access generally refers to the ability to enter training. Improving access might include improving physical access to a training venue or ensuring that selection criteria do not discriminate against clients.

Equity in this context means equality of access to, and potentially equal outcomes from training regardless of the individual's circumstances, background and identity.

Pilates Training Institute is of the firm belief that every individual regardless of personal history, present circumstances or any other factor that can commonly be considered as an inhibiting factor to self-development, should be provided the opportunity to improve their life through further education. Pilates Training Institute embraces multiculturalism and diversity in Australia, and is pleased to be a contributor to quality education as a whole.

Access and equity issues are addressed during staff induction and during staff meetings and professional development activities. Access and equity are addressed within Pilates Training Institute Code of Practice. The Code of Practice is openly communicated to all training participants and training and assessment staff.

Pilates Training Institute endeavours to eliminate discrimination against persons on the ground of:

- Sex
- Marital status or pregnancy
- Family responsibility or family status
- Race
- Religious or political conviction
- Impairment
- Age

This Access and Equity Policy will be made available to students and potential students through the Student Handbook available on our website and in hardcopy.

Procedure

Potential students seeking to enrol with Pilates Training Institute will be assessed for entry to study through the same published entry requirements and through the same process, regardless of their background, circumstances or eligibility for funding. Entry requirements for each of our courses are published on our website, while general information about enrolment can be found within the Enrolment Policy and Procedure.

Upon enrolment, all students will be requested to complete a Special Needs Form. Prior to the commencement of training, all participants will have the opportunity to discuss any specific learning needs with their facilitators/assessors. Students will be asked during their welcome to the

course to raise any access and equity issues they may face with the administration staff of Pilates Training Institute. Further steps are listed below:

1. Students may be asked to complete a short Literacy and Numeracy test to identify any potential areas of difficulty that they may have, or any skill gaps that may need to be addressed;
2. Information received from this test will be analysed by the facilitator. Students identified as being in need of help will be contacted by the facilitator. Privacy and Confidentiality will be discussed with the student;
3. The Facilitators will discuss with participants at the commencement of each training session or course, the topic of Access and Equity. The Facilitator will request that any outstanding Special Needs forms be submitted to the Administration Department of the RTO;
4. Any unresolved queries relating to access/equity issues will be referred to the Chief Executive Officer (for instance, if they cannot be resolved by the Facilitator);
5. The Chief Executive Officer will then contact the participant to discuss their access/equity issue and make appropriate arrangements which may include notifying the training venue, arranging a meeting with the participant and the Facilitator, arranging extra assistance from the Facilitator or external assistance as required;
6. File notes will be made of the action taken in each case where access/equity assistance is required and the outcome recorded for the participant.

Access and Equity issues are not only addressed in terms of the services offered by Pilates Training Institute, but also in terms of its own employment principles and in terms of addressing the wellbeing of all staff.

In addition to eliminating potential discrimination on the previously listed points, Pilates Training Institute also takes a very firm stance on Sexual Harassment and Workplace Bullying. Pilates Training Institute follows guidelines available by Fair Work Australia and WorkSafe on these issues.

Should it come to light that harassment in any form is occurring in the workplace, Pilates Training Institute will endeavour to end the situation as soon as possible. The following steps will be taken.

- The employee who is felt to be discriminated against is advised to confide in a trusted mentor or friend about the situation;
- The employee is encouraged to discuss the situation with their immediate supervisor or manager. If either of these is in fact the person involved in the harassment or discriminatory behaviour, the employee is to seek the next line of management and discuss the situation at hand.
- An investigation will be completed by the nominated manager and a resolution sought in which all parties can agree. All notes and documents associated with the incident will be kept under the strictest confidence;
- A schedule will be put in place to monitor the situation and wellbeing of the affected employees;
- Where no resolution can be determined by the nominated Manager, the Chief Executive Officer will become involved;

- A review of the information provided will be undertaken and further investigation completed as required. A resolution will be sought in which all parties can agree. All notes and documents associated with the incident will be kept under the strictest confidence;
- Where appropriate, disciplinary action, up to and including termination of employment will be considered.
- Where it has been found that an employee's personal and human rights have been severely impacted, Pilates Training Institute will endeavour to support that employee in seeking external resolution and compensation as they choose;
- If at any point, the victimised employee feels that their needs in this regard are not being suitably catered for by Pilates Training Institute, they will be directed to seek support from external authorities that govern fair work practice in Australia.

Student Support Services

Pilates Training Institute will endeavour to support a student through their study through means such as access to additional time with trainers and access to professional career guidance counselling when available.

Pilates Training Institute will also maintain a directory of organisations known throughout the VET sector to provide assistance and guidance to students (Support Agencies Register). Staff at Pilates Training Institute will assist the student in making contact with the relevant organisation and where possible, implement additional requirements or special circumstances needed by the student in order to have a higher chance of success at completing their studies.

All students are required to complete a Special Needs Form upon enrolment and submit it to the RTO Administration Department.

Withdrawing from Studies

Students who wish to withdraw from their studies at Pilates Training Institute are required to inform the RTO in writing. This can be done by completing a Withdrawal Form. This ensures that Pilates Training Institute can appropriately close off the student's enrolment and maintain accurate and up-to-date records. Students will have an opportunity when notifying the RTO of their withdrawal to apply for a partial refund. Any request for a partial refund will be assessed in accordance with the Pilates Training Institute Fees, Charges and Refund Policy.

Variation to Training Schedule

Should a student required a variation or amendment to the agreed training schedule for any reason, this is to be formally documented with detail surrounding the request for the change. The RTO Chief Executive Officer and the relevant Trainer/Assessor are responsible for ensuring that any changes implemented still meet the requirements of the qualification and relevant Training Package and that the quality of the training and assessment provided are not negatively impacted in any way.

The student, the relevant trainer/assessor and RTO Chief Executive Officer are all to sign off on the amendment and the document is to be filed in the student's hard copy file. A note in the Learner Management System is also to be made by the Administration Department.

The RTO Chief Executive Officer retains the sole right to approve or decline requests for amendments to a student's training schedule. Students have the right to appeal decisions which involve a request being declined and may follow the formal Complaints and Grievances procedure in this regard.

The Variation to Training Schedule Form can be used for the purposes outlined above.

Transition of Training Products

Pilates Training Institute endeavours to ensure that the training and qualifications that students are enrolled in with the RTO are the latest and most recent version of the relevant training package. Pilates Training Institute takes on the responsibility and duty to manage the transition of students from older to newer versions of the nationally recognised courses and qualifications that it delivers.

In all instances, the Standards for Registered Training Organisations 2015 will be referred to, as well as any complementary guidelines from the Registering Body.

As a minimum, the RTO will ensure that no learner commences training and assessment in a training product that has been removed or deleted from the National Register.

Procedure

- Compliance staff and senior management will register for alerts from Training.gov.au for any updates to training packages that may be relevant to the RTO's scope of registration. Staff will also register for alerts from the relevant Industry Skills Council (or its successor);
- Where minor changes to a Training Package have been made, necessary amendments will be incorporated within the RTO's delivery and assessment operations and recorded on the Continuous Improvement Register;
- A communication will be sent to all staff outlining the changes;
- Where an entire qualification/accredited course or Unit of Competency been superseded or deleted, compliance staff and senior management will complete a Transition to New Training Checklist;
- Roles and responsibilities for assisting in the transition will be delegated by the RTO Chief Executive Officer. This is to be recorded on the Checklist for continual monitoring of progress at staff meetings;
- All changes are to be recorded in the RTO Continuous Improvement Register.

Privacy and Confidentiality

Pilates Training Institute has undertaken to comply with the requirements of the Privacy Act 1988, including in particular, the 13 Australian Privacy Principles (APPs) that fall under this Act.

As a Registered Training Organisation, Pilates Training Institute is required to report on data it obtains from its students to State and or Federal Government agencies for reasons such as

research, statistical analysis and the generation of performance reports for RTOs so they may gain a better understanding of their standing with other RTOs in relation to customer satisfaction.

Information RTOs are required to share includes the courses and subjects in which students are enrolled, their age and gender, details of where they were born and went to school.

The data collected by the RTO must conform to the Australian Vocational Education and Training Management Information and Statistical Standard (AVETMISS). Following AVETMISS guidelines allows for there to be a benchmark in vocational education and training (VET) measurement that in turn provides a more accurate and defined picture of what is happening in the sector.

It enables comparison and analysis at all levels of the training system, nationally and within each state and territory. Pilates Training Institute collects this information from students through the issuing of its Enrolment Form provided upon expression of interest in any of our courses.

Information about a student, except as required by law or as required under the Standards for Registered Training Organisations, is not disclosed without the student's written permission and that of their parent or guardian if the student is under 18 years of age. Where a student/guardian consents to disclosure of information, they will be requested to complete the Permission to Disclose Information Form, which provides specific information around what is to be disclosed and to whom. A copy of the completed form will be kept in their student file.

Student files are kept in secure facilities at Pilates Training Institute offices with access restricted to only key RTO personnel. All RTO personnel are required to sign a Confidentiality Declaration upon being appointed by the company.

Student assessment records are retained in a secure location for a period of 30 years in accordance with current Federal and State legislation, before being destroyed.

Students are encouraged to keep the RTO abreast of changes to their personal circumstances so that information held on file is accurate and the most recent available.

Pilates Training Institute is committed to providing training that meets the needs of its students as well as the wider industries in which it operates. As a minimum, Training and Assessment Strategies will be developed for each qualification, course or Unit of Competency on the RTO's scope of registration. These strategies will be developed in consultation with industry and will be subject to a review once a year. The following procedure is to be implemented:

- Learning and Assessment Strategy in need of review identified by the Chief Executive Officer;
- Strategy to be revised to ensure it reflects current delivery and assessment practice of the RTO;
- Industry Consultation Questionnaire template to be sent out to chosen industry partners with revised Learning and Assessment Strategy;
- Industry Consultation Questionnaire to be retrieved and reviewed. Further follow up with industry partners to be conducted as required;
- Where possible, recommendations and feedback from consultation with industry partners is to be incorporated within the Learning and Assessment Strategy of the RTO;

- Inviting guest speakers of applicable industries to give talks/presentations to students when possible; and
- Attending industry networking events as part of the RTO's overall Professional Development agenda.

Training and Assessment Strategies will reflect the requirements of the relevant Training Package and will identify target groups. The strategies will contain information on Pilates Training Institute staff, facilities, equipment, training and assessment materials. All of these areas may be subject to review and improvement following engagement with industry and any recommendations it puts forward.

Staff

Pilates Training Institute utilises the services of both training contractors and full time facilitators to provide training and assessment in accordance with its scope of registration. Administrative staff are employed to provide support to both the training and assessment staff as well as senior management to assist in ensuring compliance with the requirements of the Standards for Registered Training Organisations 2015. All staff are required to undertake regular professional development.

Facilities

Pilates Training Institute endeavours to have suitable facilities for its training and assessment services. Facilities used for training will be either under the direct ownership of Pilates Training Institute or used under a long-term lease agreement. These facilities are to be fitted with the relevant technology and furniture that can facilitate a comfortable and supportive learning experience.

Where appropriate and agreed to, Pilates Training Institute will use facilities provided by the employers of students for the purpose of training and assessing. In all instances a Site Capacity Checklist will be completed to ensure that the premises provide a suitable platform for the delivering of training and that it is able to meet the requirements as outlined by all the relevant qualification packaging rules.

Equipment

Equipment and machinery are used within training and assessment where possible to ensure students receive understanding of the equipment as per the workplace requirements. At all times the standard operating procedures are used to ensure safety is maintained.

It is the intent of Pilates Training Institute to invite industry representatives to participate in an annual review of industry-related equipment and infrastructure. When developing training plans, equipment and machinery that are used at the workplace are assessed for the availability for training and assessment activities.

Training and Assessment Material

Where possible, Pilates Training Institute will endeavour to design and create its own training and assessment material.

Where it is not possible to develop its own material, Pilates Training Institute will purchase the materials from a suitable, reputable supplier.

All material purchased for use in Pilates Training Institute services to the public will be validated by its own suitably qualified staff or an external consultant to ensure that standards of the relevant training package and industry requirements are being met.

Pilates Training Institute staff have access to all relevant resources for training and assessment.

Assessment

In developing the assessment procedure (including RPL) for each qualification, the RTO will ensure:

- Compliance with the assessment guidelines from the relevant Training Package or accredited course;
- Assessment leads to a qualification or statement of attainment under the Australian Qualifications Framework (AQF);
- Suitable pre-assessment procedures are in place to prepare student for assessment;

- Formal assessment complies with the principles assessment (i.e. assessment is valid, reliable, flexible and fair);
- Formal assessment complies the rules of evidence (valid, sufficient, current and authentic) guide the collection of evidence;
- There is a focus on the application of knowledge and skills to the standard expected in the workplace, including skills for managing work tasks, contingencies and the job environment;
- Timely and appropriate feedback is given to students;
- Assessment complies with access and equity guidelines as outlined by Pilates Training Institute Access and Equity Policy;
- Student's right to appeal is clearly noted.

All records of assessment will be in accordance with the requirements of the Standards for Registered Training Organisations 2015 and Pilates Training Institute Record Keeping policies and procedures.

Plagiarism

It is not permissible to attempt to pass off another person's work and ideas as one's own. To do so constitutes plagiarism and will result in penalties, including exclusion from the unit or cancellation of enrolment. All attempts at plagiarism will be treated extremely seriously and all students will be made aware of their responsibilities in this regard.

Students will be expected to sign a Plagiarism Declaration prior to submitting any work for assessment.

Submission of Assignments

All assignments and homework given to a student must be completed and submitted on the date specified by the trainer/assessor as late fees do apply. This is in order for the training and assessing staff to complete assessments before certification can be issued. Should there be any delay, a student is requested to contact our office to discuss their concerns.

Alcohol and Drug Policy

Pilates Training Institute stands firmly against the use of Drugs and Alcohol on its premises and by any persons, including staff, students and contractors, during its hours of operation. It is felt that a zero tolerance in this regard is in the best interest of all parties and will contribute to ensuring Pilates Training Institutes compliance with all State and national legislation associated with such behaviour.

Students who are suspected of being under the influence of Drugs or Alcohol will not be permitted to attend class. Neither will staff members who are suspected of being under the influence of Drugs or Alcohol be permitted to attend their normal work activities.

Pilates Training Institute will endeavour to educate both staff and students about the potential harm and lifelong effects of consistent Drug and Alcohol abuse and in turn, endeavour to promote healthy lifestyle habits and practices.

Pilates Training Institute policy on Alcohol and Drug use is clearly stated in the Student Handbook and is addressed in the corporate induction process. In both instances, participants are asked to sign off on their understanding to this and other Pilates Training Institute policies and procedures.

Pilates Training Institute will promote organisations known to be subject matter experts in this regard and will supply suitable reference material to students and staff alike.

Procedure

- Any person who suspects that a Pilates Training Institute staff member or student may be intoxicated and of potential harm to fellow students or staff members should contact the first line of authority. For students, this is their trainer. For staff members, this is their supervisor. If the first line of authority is unavailable, endeavour to contact the RTO Chief Executive Officer;
- The nominated authority is to then, where safe and appropriate, escort the intoxicated individual from the premises;
- The RTO Chief Executive is to be notified immediately after the event;
- Details of the incident and all witness accounts are to be recorded as soon as is practicable;
- In the context of the offender being a student, Pilates Training Institute may request that the student be transferred to an alternative provider and will support this process as necessary. Where the staff member is the offender, Pilates Training Institute Chief Executive Officer will arrange a consultation between both parties so that a resolution may be negotiated that is agreeable to all concerned and will assist everyone involved moving on from the event;
- Police will be contacted where it is determined that there is severe risk of damage to any persons or property.

Work-Based Training

The term “work-based training” is considered to mean training and/or assessment that will occur in a workplace other than in a provider’s own simulated workplace environment.

In some instances, students may be required to undertake work-based training for courses offered by Pilates Training Institute. Where work-based training is a course requirement, the RTO will ensure that students have access to suitable and appropriate host employers as part of their training. Host employers will be chosen using strict selection criteria and will at a minimum, include the following steps:

- Site visit of the premises and facility, including a general inspection;
- Interviews with business owners/directors;
- Signing of Memorandum of Understanding with business owners/directors interested in acting as host employers in partnership with Pilates Training Institute;

- Completion of a Site Capacity Checklist to ensure the facilities/premises meet the requirements of the course in question;
- Completion of ongoing risk assessment activities to ensure requirements and the conditions of the MOU are continually being met.

Students will be informed of all work-based training requirements through course material issued to them prior to formalising their enrolment. Upon enrolment and prior to commencing work-based training, Pilates Training Institute will hold an Orientation Session for all affected students. This session will be used to convey, amongst other items, the following information:

- Rights and responsibilities of students in the workplace;
- Rights and responsibilities of Host Employers;
- Rights and responsibilities of Pilates Training Institute
- Assessment in the workplace.

Students will be required to sign a 'Work Placement Agreement' to demonstrate their understanding of the above information and commitment to the program. Any variations to the hours worked and conditions of the work placement must be approved by the RTO Chief Executive Officer and the Host Employer.

Student attendance throughout the work placement will be recorded by the Host Employer and the student via standard workplace timesheets or Training Journal.

Course progress will be monitored by having regular meetings between the Pilates Training Institute Assessor, the student and the host employer. Where the student is not felt to be meeting course progress requirements, coaching and mentoring will be offered.

In the context of traineeships and apprenticeships, a formal Training Plan will be negotiated with the student, employer and Pilates Training Institute prior to the commencement of training. Once agreed, all parties will sign the document.

Pilates Training Institute does not accept assessment conducted by workplace supervisors and managers. Assessment is reserved for assessors employed by Pilates Training Institute.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is a process that recognises a student's current skills and experience regardless of where and when the learning occurred. Applications for RPL are based on whole units of competency and are to be submitted prior to the commencement of training.

Students can base their application on any combination of formal or informal training and education, work experience or general life experience. In order to recognise prior learning, it is necessary to compare the informal or non-formal learning the individual has achieved against the relevant unit of competence. This comparison includes learning outcomes, required skills and knowledge and their application within the range specified for that unit of competence.

The RPL process is to determine if the prior learning fulfils all, some or any of them.

Procedure

- Student is to discuss request with the relevant Pilates Training Institute Assessor;
- Should the decision be made to progress with RPL, an RPL Application Form will be issued to the student;
- Where required, appropriate fees to be paid;
- Student will be issued with an RPL Kit;
- All items requesting information in the RPL Kit to be completed and returned to the Administration Department of the RTO;
- The Assessor will assess the information provided and will make a decision if and for what to grant RPL. If a student presents an AQF qualification or Statement of Attainment to the Assessor from another RTO, the Assessor will take a copy and verify its authenticity.
- The Assessor will discuss the outcome of the assessment with the student. Both the student and the Assessor will sign off on the outcome.
- This information will be forwarded to RTO Administration staff for input into the Learner Management System and students' hard copy files.
- Successful candidates will be issued with a Qualification or Statement of Attainment.
- Unsuccessful candidates will be given feedback with options to provide further evidence. A Gap Analysis will be conducted in this regard, and where possible, the RTO will provide the student a range of options to address the missing evidence. This may be in the form of further assignments including questioning, workbook activities and work-based projects.

All applicants have a right to formally appeal the RPL assessment through Pilates Training Institute Appeals process. All information is handled according to Pilates Training Institute Privacy and Confidentiality guidelines.

National Mutual Recognition and Credit Transfer

Pilates Training Institute follows the principles of National Mutual Recognition in this regard. The RTO will seek verification of the certification supplied with each application that it receives.

Should a student wish to have their qualifications reviewed in order to obtain credit, the steps below must be followed. There is no charge for a Credit Transfer application.

Procedure

- Student is to discuss request with the relevant Pilates Training Institute Assessor;
- Should the decision be made to progress Credit Transfer, a Direct Credit Transfer Application Form will be issued to the student;

- The RTO will only issue AQF qualifications and Statements of Attainment within its scope of registration;
- All qualifications and Statements of Attainment will also have a unique Corporate Identifier that cannot be easily copied so as to ensure against fraudulent issuance.

Pilates Training Institute reserves the right to withhold certificates and Statements of Attainment until all outstanding fees for its services have been paid in full.

Fees Collected in Advance

As a Registered Training Organisation, Pilates Training Institute is required to implement a process or strategy that will ensure that fees collected in advance from students are suitably protected.

Pilates Training Institute has chosen to meet this requirement by accepting no more than \$1,500 upfront from each student, which is the stipulated threshold prepaid fee amount (refer to Standard 7.3 of the Standards for Registered Training Organisations 2015). This principle does not apply when the fees of a learner are paid by a third party, for example, the student's employer.

Deferments will only be granted for a period/periods accumulating to a total of 12 months. A \$100 administration fee per deferment application will apply.

Upon receipt of the Variation to Training Schedule form, an invoice will be issued for the fee. Payment is required within 7 days from date of invoice. The deferment will be granted only once payment has been received.

Prior to the deferment period ending, Pilates Training Institute will contact the student to confirm their intention to resume their studies. Once confirmed a new Individual Assessment Schedule will be issued. Should the student indicate that they do not wish to resume their studies at that time a new application will be required.

If Pilates Training Institute does not receive a response from the student within 72 hours, it will automatically be assumed that the student does not intend to continue with their training and they will be withdrawn from the course.

Withdrawal

Students that wish to withdraw prior to the training commencing, are required to submit a Withdrawal Form. A \$150 administration fee will apply.

Students that decide to withdraw after the training has commenced, are required to submit a Withdrawal Form. A \$50 administration fee will apply.

Other Fees and Charges

Incidental fees and charges are listed on Pilates Training Institute Fees Schedule. Items on this list include, but are not limited to, fees pertaining to the late submission of an assessment without an approved extension, rescheduling the date and time of a written assessment, replacement of lost certificates and fees associated with multiple re-assessments.

Pilates Training Institute Cancellations or Postponements

Should unforeseen circumstances occur that impact on the successful commencement delivery of the course in question, then Pilates Training Institute will advise all clients/participants at least 3 working days prior to the commencement date.

Where at all possible the training will be offered at alternative times and dates. If clients/participants are not able to attend alternative courses or training modules, all fees paid will be fully refunded.

Pilates Training Institute will also endeavour to provide students with the contact details of an alternative provider should students wish to pursue that avenue.

Where Pilates Training Institute is forced to halt training midway, the company will endeavour to refund any fees collected for phases of study not yet completed and also assist students in every way possible to find a suitable alternative provider.

In the event that Pilates Training Institute ceases to operate, it will transfer, within 20 working days, all records to the Registering Body and ensure all participants have received a copy of their records.

Pilates Training Institute will issue any outstanding qualifications and/or statement of attainments to students prior to ceasing to operate.

Pilates Training Institute will obtain permission in writing from all students prior to handing over any of their records to another provider.

Transferring enrolment

This situation can arise when a student decides to request a change to their enrolment after their training has commenced. This is applicable in one of the following situations:

a) A student is enrolled in the Diploma of Professional Pilates Instruction (10537NAT) and wants to transfer to the Professional Matwork Instruction or Professional Matwork and Reformer Instruction; or

b) A student is enrolled in the Professional Matwork Instruction pathway or Professional Matwork and Reformer Instruction pathway and wants transfer to the Diploma of Professional Pilates Instruction (10537NAT).

A student is required to request and submit a Transfer of Enrolment form.

The fee to execute either of these two options is \$300 and encompasses:

- transition of resources;
- issuance of a new Individual Assessment Schedule;
- cancellation of the current enrolment; and
- processing of the new enrolment, including a new payment agreement schedule.

Once the transfer of enrolment form has been approved, an invoice will be issued for the \$300 fee. Payment is required within 7 days from the date of invoice.

During the approval process a review of fees paid to date will be undertaken and the remaining fees applicable will be determined.

If the report highlights any areas that are in need of improvement or further investigation, this will be implemented as soon as possible.

All forms may be completed anonymously.

Employers of students will also be given an opportunity to provide feedback. Pilates Training Institute will also, as part of its annual reporting requirements, complete the official Learner and Employer Surveys and forward the responses to the relevant authority.
